ALTERNATIVE DISPUTE RESOLUTION

Hyundai Motor America's internal consumer assistance process will make every effort to resolve every customer concern in a satisfactory manner. We realize, however, that mutual agreement on some issues may not be possible. To ensure that you have had an opportunity to have your concern fully reviewed, Hyundai Motor America provides an Alternative Dispute Resolution (arbitration) program. Hyundai offers the program through:

BBB AUTO LINE
Alternative Dispute Resolution Division
Council of Better Business Bureaus, Inc.
3033 Wilson Boulevard, Suite 600
Arlington, Virginia 22201
1-800-955-5100
www.bbb.org/autoline/

This service is provided at no cost to you and is part of Hyundai's effort to provide you with an impartial third-party organization to equitably resolve your concerns.

AUTO LINE will perform arbitration services on disputes involving Hyundai vehicles with an alleged nonconformity, defect, or deficient warranty performance, as may be required by state or federal law.
NOTE: If your state law requires written notification to the manufacturer please write:

HYUNDAI MOTOR AMERICA
Hyundai Customer Care Center
PO Box 20850
Fountain Valley, CA 92728
Consumeraffairs@hmausa.com

To begin the Alternative Dispute Resolution (arbitration) process, simply call the Council of Better Business Bureaus at
1-800-955-5100 and you will be sent a Customer Claim Form, along with a handbook describing how BBB AUTO LINE works. Time and mileage limitations may apply. Please refer to the Owner's Handbook Supplement for additional information regarding eligibility requirements in your state.

IMPORTANT: You must use BBB AUTO LINE prior to seeking remedies through a court action pursuant to the Magnuson-Moss Warranty Act ("the Act"), except in Georgia, although that option is still available to you. However, if you choose to seek remedies that are not created by the Act, you are not required to use BBB AUTO LINE, although that option is still available to you. You must also use BBB AUTO LINE if you are seeking remedies under the "Lemon Laws" of your state if your state statute requires you to do so.

A decision should be rendered within 40 days of AUTO LINE's receipt of your properly completed Customer Claim Form. BBB will send you a copy of the arbitrator's decision and if you accept the decision, all parties must comply with the decision within the time limits (performance date) set by the arbitrator.

Approximately two weeks after the "performance date", BBB will contact the consumer to verify that the arbitrator's decision has been completed.

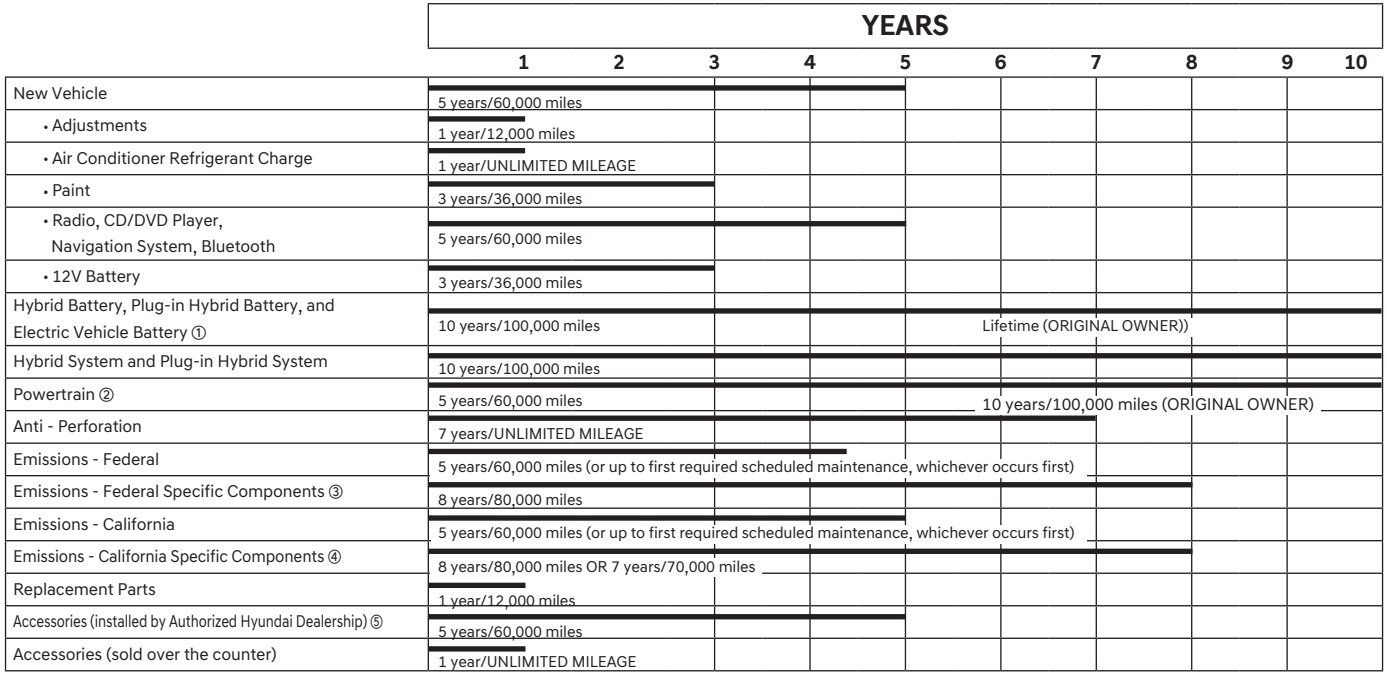

AUTO LINE's decisions do not include attorney's fees, civil penalties, punitive damages, multiple damages or consequential damages other than incidental damages which you may be entitled to under law.

If you reject the decision of the arbitrator you may pursue other legal remedies under state or federal law; the company will not be obligated to perform any part of the decision. Depending on federal or state law, the decision may or may not be introduced as evidence by the consumer or the company in any civil court action relating to any matter that has been resolved in your arbitration hearing, and BBB involvement in the case will end as well.

Important: Please refer to the first page of the Hyundai New Vehicle Limited Warranty section of this Owner's handbook for additional important information regarding alternative dispute resolution and other legal remedies available to you.

This warranty coverage applies to the vehicle regardless of a change in ownership and is transferable to subsequent owners. Failures, other than those resulting from defects in material or workmanship, which arise solely as a result of owner abuse and/or lack of proper maintenance, are not covered by the warranty.

INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.

WARRANTY JURISDICTION

This warranty applies to vehicles manufactured to either Federal specifications or California specifications which are distributed by Hyundai Motor America and registered and normally operated in the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, and includes the commonwealth of the Northern Mariana Islands.

INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.

WHAT IS COVERED

The primary components covered are listed on the following "5 Years/60,000 Miles Federal Emission Warranty Parts List" and "8 Years/80,000 Miles Federal Emission Warranty Parts List."

Some items require scheduled replacement as part of the scheduled maintenance of the vehicles. Replacement of these items is warranted in normal service up to the first replacement interval or up to the limits of the applicable emission warranty coverage period, whichever occurs first (Refer to the Hyundai Owner's Manual and its Scheduled Maintenance Section).

WARRANTY JURISDICTION

This warranty applies to vehicles manufactured to either Federal specifications or California specifications which are distributed by Hyundai Motor America and registered and normally operated in the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, and includes the commonwealth of the Northern Mariana Islands.

WHAT IS COVERED

Some states and local jurisdictions have established periodic vehicle inspection and maintenance (I/M) programs to encourage proper maintenance of your vehicle. If an I/M program in your area has U.S. Environmental Protection Agency (EPA) approval, you may be eligible for HMA's performance warranty coverage under the following conditions:

1. The vehicle has been maintained and operated in accordance with the scheduled maintenance instructions described in the Hyundai Owner's Manual provided with your vehicle.
2. The vehicle fails to conform during the warranty period to the applicable emission standards as determined by an emissions test approved by the Environmental Protection Agency (EPA).
3. The failure to conform results, or will result, in the owner of the vehicle having to bear a penalty or other sanctions, such as denial of the right to operate or use the vehicle or a fine under local, state or federal law.

If all of the above conditions are met, HMA warrants that any authorized Hyundai Dealership will replace, repair or adjust to Hyundai's specifications, at "NO CHARGE", any of the components listed on the following Federal Emission Warranty Parts chart, which may be necessary to cause your vehicle to conform to the applicable federal emission standards.

WARRANTY PERIOD

This warranty is effective for 5 years from the date of original retail delivery or if the vehicle is first placed in service as a "demonstrator" or "Company" car prior to delivery, on the date it is first placed in service, or 60,000 miles, whichever occurs first, or up to the first required scheduled maintenance, whichever occurs first. Additionally, certain major emission control components listed under the following "8 Years/80,000 Miles Federal Emission Warranty Parts List" will be covered for a period of 8 years from the date of original retail delivery or date of first use, or 80,000 miles, whichever occurs first. This warranty coverage applies to the vehicle regardless of a change in ownership and is transferable to subsequent owners.

Note:

Federal Emission Warranty

The Federal government requires minimum emission warranty coverage for the first 2 years or 24,000 miles of vehicle use, with coverage for the first 8 years or 80,000 miles for the exhaust manifold assembly, the catalytic converters, the electronic engine control module, and the onboard emissions diagnostic device.

Hyundai provides greater warranty coverage of 5 years or 60,000 miles for all emission related components and provides 8 years or 80,000 miles coverage on the specific components noted.

EMISSION WARRANTY PARTS LIST

Some items require scheduled replacement and are warranted up to the first replacement interval or up to the limits of the applicable emission warranty coverage period, whichever occurs first (Refer to the Scheduled Maintenance section in the Hyundai Owner's Manual). The following is a listing of Emission Parts covered under the emission warranties. For more details about the specific parts that are covered by the Federal Emission Defect Warranty, contact your dealership. If failure of one of the following components results in failure of any other vehicle part, both parts will be covered by the Federal Emission Performance Warranty.

WHAT IS NOT COVERED BY THESE EMISSION WARRANTIES

THE FEDERAL EMISSION DEFECT WARRANTY AND THE FEDERAL EMISSION PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Normal maintenance service (such as filters).
- Malfunctions in any part directly caused by misuse, modification, improper adjustment, alteration, tampering, disconnection, improper or inadequate maintenance, or use of leaded gasoline or contaminated fuel.
- Damage resulting from an accident or an Act of God.
- Any vehicle on which the odometer reading has been altered so that mileage cannot be readily determined.
- Failures that are a direct result of a lack of performance of required emission control maintenance as outlined in the Hyundai Owner's Manual.
- Parts or accessories used in applications for which they were not designed or not approved by HMA.
- Parts not supplied by HMA or damage to other parts caused directly by using non-Hyundai parts, non-EPA certified replacement parts in the maintenance or repair of the vehicle which ultimately prove to be defective in material or workmanship, or not equivalent from an emission control standpoint to the original equipment part.
- INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

The duration of any implied warranties, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE regarding emission systems defects are limited to the duration of these emission system warranties. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions set forth regarding these warranties may not apply to you.

OWNER'S RESPONSIBILITY AND OBLIGATION

It is the owner's obligation to properly maintain and use the vehicle in accordance with Hyundai's written instructions in the Hyundai Owner's Manual. Failures caused by inadequate or improper maintenance are not covered by the warranty. To help resolve questions as to whether the proper vehicle maintenance has been performed, must the owner retain all maintenance service records and receipts indicating that service has been performed on the vehicle.

REPLACEMENT PARTS

It is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new or remanufactured Hyundai Genuine Parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PARTS. THE OWNER MAY ELECT TO USE NON-GENUINE HYUNDAI PARTS FOR REPLACEMENT PURPOSES. THE USE OF REPLACEMENT PARTS WHICH ARE NOT EQUIVALENT MAY IMPAIR THE EFFECTIVENESS OF THE EMISSION CONTROL SYSTEM.

If other than Hyundai Genuine Parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should determine that such parts are warranted by their manufacturer to be equivalent to Hyundai Genuine Parts in performance and durability.

"New or Remanufactured Hyundai Genuine Parts" when used in connection with Hyundai vehicles, means parts manufactured by or approved by Hyundai, designed for use on Hyundai vehicles and distributed by HMA.

MAINTENANCE SERVICE

MAINTENANCE, REPLACEMENT OR REPAIR OF THE EMISSION CONTROL DEVICES AND SYSTEMS MAY BE PERFORMED BY ANY QUALIFIED AUTOMOTIVE REPAIR ESTABLISHMENT OR INDIVIDUAL USING ANY PART CERTIFIED PURSUANT TO APPLICABLE EMISSION REGULATIONS:
HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED HMA DEALERSHIP.

Claims under the Federal Emission Performance Warranty may not be denied due to the failure of a properly installed certified non-Hyundai Genuine Part.

Claims may be denied on the basis of an uncertified replacement part used in the maintenance or repair of a vehicle if Hyundai presents evidence that the uncertified replacement part is either defective in materials or workmanship or not equivalent from an emission standpoint to the original equipment part and the vehicle owner is unable to rebut the evidence.

Receipts covering the performance of maintenance service should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this vehicle. HMA reserves the right to deny warranty coverage if the vehicle has not been properly maintained. However, denial will not be based solely on the absence of maintenance records.

These warranties apply only to vehicles manufactured to United States' specifications which are distributed by Hyundai Motor America and registered and normally operated in the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, and includes the commonwealth of the Northern Mariana Islands. Vehicles manufactured to other than United States' specifications, distributed by other than HMA and registered and normally operated outside the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, or the Commonwealth of the Northern Mariana Islands are entitled to service of the emission control systems on the basis of the warranty applicable to such other distribution country.

CLAIMS PROCEDURE

To obtain warranty service under these warranties, the owner should return the vehicle to an authorized Hyundai dealership place of business during its normal service business hours, where such service will be performed at no charge for parts, labor, diagnosis and tax.

If an owner's warranty claim under the 2018 Federal Emission Performance Warranty is denied, HMA will provide the owner with a written explanation of why the claim was denied 1) within 30 days from the time you bring the car to a Hyundai dealership, or 2) within the time required by local, state, or federal law for the vehicle to be repaired without incurring further penalty, whichever is shorter.

Failure to provide an explanation within the 30-day period shall obligate HMA to remedy the nonconformity under the Federal Emission Performance Warranty except:

- When delay is requested by the vehicle owner.
- When delay is caused by factors beyond the control of HMA or authorized Hyundai Dealership.

If your Hyundai Dealership cannot repair your vehicle or process your claim within a reasonable time, please contact your Hyundai Customer Care Center for assistance: office for assistance.

CALIFORNIA EMISSION CONTROL WARRANTY STATEMENT

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The California Air Resources Board and Hyundai Motor America (HMA) are pleased to explain the California Emission Control System Warranty on your 2018 Hyundai vehicle certified for sale in California.

In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. HMA must warrant the emission control system on your Hyundai vehicle for the periods of time listed below, provided there has been no abuse, neglect or improper maintenance of your Hyundai vehicle.

Your emission control system includes parts such as the fuel injection system, ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies. Where a warrantable condition exists, HMA will repair your Hyundai vehicle at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE:

1. For 5 years or 60,000 miles (whichever occurs first):
   - If your Hyundai vehicle fails a Smog Check inspection, all necessary diagnosis, repairs and adjustments will be made by HMA to ensure that your vehicle passes the inspection. This is your California Emission Control System PERFORMANCE WARRANTY.
   - If any emission-related part on your vehicle is defective, the part will be repaired or replaced by HMA. This is your short-term California Emission Control System DEFECT WARRANTY.
2. Long-term California Emission Control System DEFECT WARRANTY
   If an emission-related part listed in this Owner's Handbook on the Warranty Parts List specifically noted with coverage for "7 years or 70,000 miles" or "8 years or 80,000 miles" is defective, the part will be repaired or replaced by HMA. This is your long-term California Emission Control System DEFECT WARRANTY.
   - o Specific emission components are covered for 7 years or 70,000 miles, whichever occurs first, see Page 38, NOTE1.
   - o Specific emission components are covered for 8 years or 80,000 miles, whichever occurs first, see Page 38, NOTE2.

3. For 2018 Elantra and 2018 Sonata certified as a super ultra low emission vehicle (SULEV), 2018 Sonata Plug-in Hybrid, and 2018 Ioniq Plug-in Hybrid model certified as a transitional zero-emission vehicles, (TZEV) only, all parts covered under the PERFORMANCE WARRANTY and the DEFECT WARRANTY, which are listed in this Owner's Handbook on the Emission Warranty Parts List, are warranted for 15 years or 150,000 (excluding the Plug-in Hybrid Battery) whichever occurs first (for the states listed under the Warranty Jurisdiction (on page 37), excluding Delaware, Pennsylvania, and Washington). See page 37, NOTE1 and NOTE2, and page 38, NOTE4.

Warranty Coverage for the 2018 Sonata Plug-in Hybrid Battery and 2018 Ioniq Plug-in Hybrid Battery, certified as a TZEV only, is warranted for 10 years or 150,000 miles and not 15 years 150,000 miles, whichever occurs first (excluding Delaware, Pennsylvania and Washington).

OWNER'S WARRANTY RESPONSIBILITIES

As the Hyundai vehicle owner, you are responsible for the performance of the required maintenance listed in the Hyundai Owner's Manual. HMA recommends that you retain all receipts covering maintenance on your Hyundai vehicle, but HMA cannot deny emission warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Hyundai vehicle to a Hyundai dealership as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time.

As the Hyundai vehicle owner, you should also be aware that HMA may deny your warranty coverage if your Hyundai vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact the Hyundai Customer Care Center at 1-800-633-5151 or the California Air Resources Board at 9528 Telstar Avenue, El Monte CA 91731.

INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.

Specific emission parts are covered up to 5 years or 60,000 miles, whichever occurs first, or up to the first required scheduled maintenance, whichever occurs first, See Page 38, NOTE3.

WARRANTY JURISDICTION

This warranty applies exclusively to vehicles manufactured to California specifications which are distributed by Hyundai Motor America and must be sold, registered and operated in the states of California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont or Washington.

Its coverage exists in addition to that of the Federal Emission Defect Warranty and the Federal Emission Performance Warranty.

NOTE1: The 15 years or 150,000 miles extended warranty applies to parts covered under the Performance and Defect Warranty, excluding the Plug-in Hybrid Battery, as listed in this Owner's Handbook to SULEV and TZEV-certified only vehicles sold, registered and operated in the listed states, under the Warranty Jurisdiction (see page 36), with the exception of Delaware, Pennsylvania and Washington. The 15 years or 150,000 miles extended warranty does not apply in Delaware, Pennsylvania, or Washington.

California requires minimum emission warranty coverage of the first 3 years or 50,000 miles of vehicle use, with coverage for the first 7 years or 70,000 miles for certain "high cost" emission related parts, determined by a California government specified formula.

Hyundai provides greater warranty coverage of 5 years or 60,000 miles for all emission related components and 8 years or 80,000 miles coverage for catalytic converters, the electronic engine control module (includes the onboard emissions diagnostic device).

WHAT IS NOT COVERED

THE CALIFORNIA EMISSION CONTROL SYSTEM DEFECTS WARRANTY AND THE CALIFORNIA EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Malfunctions in any part directly caused by abuse, misuse, modification, improper adjustment except those done by a dealership during warranty service work, alterations, tampering, disconnections, improper or inadequate maintenance, neglect or use of leaded gasoline or other fuels not recommended in the Hyundai Owner's Manual.
- Damage resulting from an accident or an Act of God.
- Any vehicle on which the odometer reading has been altered so that actual mileage cannot be readily determined.
- Failures that are a direct result of a lack of performance of required emission control maintenance as outlined in the Hyundai Owner's Manual.
- Parts or accessories used in applications for which they were not designed or not approved for use on the vehicle by HMA.
- Parts not supplied by HMA or damage to other parts caused directly by non-Hyundai parts or non-equivalent parts.
- The charge for diagnostic labor which does not lead to the determination that a warrantable condition exists.

- INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.

The duration of any implied warranties, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE, regarding emissions systems defects are limited to the duration of this limited warranty.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so the limitations or exclusions set forth regarding this limited warranty may not apply to you.

REPLACEMENT PARTS

It is recommended that any replacement parts used for maintenance, repair or replacement of the emission control system be parts supplied by HMA.

Maintenance, repair or replacement of the emission control system may be performed by any qualified automotive repair facility or individual, using parts other than Hyundai Genuine Parts without invalidating this warranty.

However, the cost of such maintenance and parts will not be covered under this warranty unless it is an "Emergency Repair" situation (Refer to "Emergency Repair" for definition of emergency repair situation).

Use of replacement parts which are not equivalent in quality to Hyundai Genuine Parts may impair the effectiveness of the emission control system. You should make sure such parts are warranted by their manufacturer to be equivalent in design and quality to Hyundai supplied parts. HMA assumes no liability under this warranty for any vehicle damage caused by a defect in any such parts.

OBTAINING WARRANTY SERVICE

To obtain warranty service, you must return your Hyundai vehicle to any authorized Hyundai dealership in California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont or Washington during its normal service business hours, where such service will be performed.

When failing a Smog Check test, an authorized Hyundai dealership may ask the owner to provide proof that the required maintenance was performed when the dealership has reason to believe that the required maintenance;

- Was not performed and
- If not performed, may be the cause for the particular vehicle exceeding applicable emission standards.

For a Smog check test failure, if your Warranty Claim under the 2018 California Emission Control Systems Limited Warranties is denied, HMA or its dealership will provide you with a written explanation of why the claim was denied within 30 days from the time you bring the car to a Hyundai dealership.

If the authorized Hyundai Dealership does not notify the vehicle owner within 30 days that a warrantable condition does not exist, then HMA will repair the vehicle free of charge, unless:

- The delay is requested by you, the Hyundai vehicle owner, or
- The delay is caused by factors beyond the control of HMA or an authorized Hyundai dealership.

The lack of availability of warranted parts within 30 days shall constitute an emergency situation (see EMERGENCY REPAIR).

EMERGENCY REPAIR

In an emergency, where an authorized Hyundai dealership is not reasonably available, warranty repairs may be made at any available service facility, or by the owner using any replacement part. A repair not being completed within 30 days also constitutes an emergency.

HMA will reimburse you for your expenses including diagnostic charges, for repairs covered by this warranty, for parts at HMA's suggested retail price, and for labor at a geographically appropriate labor rate per HMA's recommended time allowance. For reimbursement, present all replaced parts and a copy of your paid receipt to any authorized Hyundai dealership. HMA assumes no liability for the workmanship of the repair facility.

CALIFORNIA VEHICLE INSPECTION PROGRAM

If your 2018 Hyundai vehicle fails to pass a Smog Check test after a period of use of 5 years or 60,000 miles, but before a period of use of 8 years or 80,000 miles, whichever occurs first, you may choose to have your vehicle repaired at an authorized Hyundai dealership or another service facility.

In the event that the Hyundai dealership or determines that the smog check failure was caused by the failure or malfunction of a part listed in this Owner's Handbook specially noted with coverage for 8 years or 80,000 miles, then your Hyundai vehicle will be repaired under this limited warranty at no expense to you, unless the part failure or malfunction was caused by abuse, neglect, or improper maintenance.

However, if the authorized Hyundai dealership determines that the smog check failure was directly caused by abuse, neglect, or improper maintenance, then you will be responsible for all diagnostic and repair costs related to detecting and repairing your Hyundai vehicle so it will pass the Smog Check test. If you choose to have your Hyundai vehicle repaired at a service facility other than an authorized Hyundai dealership, HMA will not be liable for any diagnostic and repair expenses, except where such repair is necessary by reason of an emergency.

If your Hyundai vehicle is determined to fail the Smog Check test by such service facility, you may deliver your Hyundai vehicle to an authorized Hyundai dealership and have it repaired free of charge in accordance with this warranty.

OBTAINING WARRANTY SERVICE

In the event of a Claim, you must return your vehicle to an authorized Hyundai dealership for examination and approval by Hyundai prior to any repair or replacement.

Warranty service will be provided by authorized Hyundai dealership without charge for parts or labor.

WHAT IS COVERED

Warranty coverage is for repair or replacement of any Hyundai Genuine Replacement Part or Accessory supplied from Hyundai Motor America which is found to be defective in material or workmanship under normal use and maintenance, except any item specifically referred to in the section "What is Not Covered."

Repairs are to be performed using New Hyundai Genuine Parts or Hyundai authorized remanufactured parts.

Parts/Accessories that were sold and installed by an Authorized Hyundai Dealership will be repaired or replaced without charge for parts/accessories and labor. If the parts/accessories were not originally installed by an Authorized Hyundai Dealership, they will be repaired or replaced without charge for parts/accessories, but labor charges will not be covered.

INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.

REPLACEMENT PART WARRANTY PERIOD

The Replacement Parts Limited Warranty period is limited to 1 year from the date of installation, or twelve thousand (12,000) miles of service, whichever occurs first, for Hyundai Genuine replacement parts supplied by HMA and purchased from and installed by an authorized Hyundai dealership. Parts replaced under the terms of the New Vehicle Limited Warranty, Powertrain Limited Warranty, Federal Emission Defect Warranty, Federal Emission Performance Warranty, Hybrid System Warranty, or California Emission Control Systems Warranty, are warranted for the remainder of the applicable warranty which the part was previously replaced under.

Certain Emission Control System items require scheduled replacement as part of the scheduled maintenance of the vehicle (i.e. spark plugs). Replacement of these items is warranted in normal service up to the first replacement interval only (Refer to the Hyundai Owner's Manual and its scheduled maintenance section). Genuine Hyundai Parts and Accessories supplied by HMA and purchased from an authorized Hyundai dealership, but not installed by an authorized Hyundai dealership, are covered for twelve (12) months from the date of purchase from the authorized Hyundai dealership.

ACCESSORY WARRANTY PERIOD

A Hyundai Genuine accessory installed by an authorized Hyundai dealership on a new vehicle at the time of, prior to, or after the vehicle's date of delivery to the original retail purchaser, or the date the vehicle is first put into service, is covered under the New Vehicle Limited Warranty and is limited to 5 years from the date of original retail delivery or date of first use, or 60,000 miles, whichever occurs first.

A Hyundai Genuine accessory purchased over-the-counter is warranted for 1 year/unlimited mileage.

An air conditioning system installed by an authorized Hyundai dealership is covered for 1 year or twelve thousand (12,000) miles, whichever occurs first, or the remainder of the New Vehicle Limited Warranty, whichever is greater, from the date of installation. An AM/FM radio, CD/DVD player, air conditioning system, Bluetooth or navigational system purchased over the counter is warranted for 1 year/unlimited mileage. AM/FM radio, CD/DVD player, navigational system, and Bluetooth are covered for 1 year/unlimited mileage if purchased and installed after the vehicle has been retailed or placed into service.

OWNER'S RESPONSIBILITIES AND OBLIGATIONS

* Proper use, maintenance, and care of the vehicle (part) in accordance with the instructions contained in the Hyundai Owner's Manual.
* Retention of maintenance service records. It may be necessary for the customer to demonstrate and prove that the required maintenance has been performed, as specified in the Hyundai Owner's Manual.
* Retention of the customer's copy of the original repair order or original part counter sales receipts. The repair order or sales slip receipt will state the date of the parts sale. For parts originally installed by an authorized Hyundai dealership, the repair order must also state the mileage of the vehicle at the time of original replacement.
* Delivery of the part or accessory and supporting documentation indicating the date and, if applicable, mileage at time of purchase and installation during regular parts and/or service hours to any authorized Hyundai dealership to obtain warranty service.

WHAT IS NOT COVERED

* Normal maintenance services of parts or accessories such as: cleaning, adjustment or replacement (i.e. spark plugs that are oil fouled, lead fouled, or which fail due to the use of low grade or contaminated fuel).
* Parts or accessories that fail due to abuse, misuse, neglect, alteration or accident, or which have been improperly lubricated or repaired.
* Parts or accessories used in applications for which they were not designed or not approved by HMA.
* Failures due to normal wear.
* Failures caused by non-Hyundai parts.
* Any vehicle on which the odometer reading has been altered so that mileage cannot be accurately determined.
* Any part previously replaced under the terms of the New Vehicle Limited Warranty, Powertrain Limited Warranty, Federal Emission Defect Warranty, Federal Emission Performance Warranty, Hybrid System Warranty or California Emission Control Systems Warranty.
* INCIDENTAL OR CONSEQUENTIAL DAMAGES ASSOCIATED WITH A VEHICLE FAILURE, INCLUDING WITHOUT LIMITATION LOSS OF TIME; INCONVENIENCE; COST OF TRANSPORTATION; TELEPHONE CALLS AND LODGING; LOSS OF PERSONAL OR COMMERCIAL PROPERTY; LOSS OF PAY OR REVENUE; AND LOSS OF USE OF THE VEHICLE, ARE NOT COVERED UNDER THIS WARRANTY.
* The duration of any implied warranties, including those of MERCHANTABILTY and FITNESS FOR A PARTICULAR PURPOSE, are limited to the duration of this limited warranty.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitations of incidental or consequential damages, so the limitation or exclusions set forth regarding this limited warranty may not apply to the owner.

NOTE:
Vehicles which contain non-Hyundai Genuine parts, or which have been misused, or improperly maintained, will not have the coverage under the Replacement Parts and Accessories Limited Warranty denied, unless the non-Hyundai Genuine part, the misuse, or the improper maintenance directly caused or contributed to the subsequent problem.
